

## Our Vision

As Canada's leading organization for women in mining, WIMC envisions an industry that fosters, promotes and empowers women. We see a future where the possibilities, opportunities and dreams are the same for all, regardless of gender.

## Our Mission

WIMC's Mission Is to Empower, Educate and Elevate all women in the Mining Industry and affiliated industry

## Our Objectives

1. Facilitating the increase in the representation of women in the industry at ALL levels
2. Build and add value to local chapters all across Canada, from coast-to-coast, including all remote towns and operations
3. Build and add value to student chapters involving all post-secondary institutions across the country
4. Create a safe and comfortable industry, where all women feel validated and can contribute, regardless of their skills and talents

Ongoing Success

# Join Us!

Collaborating with other Women's organizations, industry, mining companies, federal and provincial governments and non-for-profit organizations

Working in the interests of indigenous women and mentoring to support their professional and personal development in the Mining industry

Championing trailblazers - highlighting their successes

Building a strong industry where women and men cooperate to build best-in-class sustainable results
